

We are looking for a Marketing Assistant Volunteer for our Be Calm with Colour mindfulness book

Here is a little more information to give you a clear understanding of the role:

What is Be Calm with Colour?

This mindfulness colouring book was created to raise funds for the three local mind associations in this area; Norwich & Central Norfolk Mind, Great Yarmouth Mind and West Norfolk Mind. The book includes artwork from local people based on a theme of what makes you feel good in Norfolk.

What will you be doing?

Making connections with local businesses and organisations to increase sales. Helping to create promotional material and improve the branding and awareness of our book. You will also be creating and maintaining financial and stock records for the book. We are looking for someone who can be proactive and creative, not necessarily with any marketing experience!

Training and Support

This role does not require any training as we are looking for someone who already has the basic skills to fulfil the role. You will receive any support you need from the Fundraising Manager and the creator of the book.

Download the criteria list on our website for a comprehensive look at the required skills for this role and how to apply.
